WELCOME TO

ACCRINGTON AND ROSSENDALE COLLEGE

**OFSTED
SAYS...**

**“LEARNERS AND APPRENTICES LOVE
BEING LEARNERS AT THIS COLLEGE.
THEY DESCRIBE THEIR TEACHERS
AND TRAINERS AS INSPIRATIONAL
AND KNOWLEDGEABLE.”**

- MARCH 2022

WELCOME TO ACCRINGTON AND ROSSENDALE COLLEGE (ARC), WHERE TECHNICAL EXCELLENCE MEETS BOUNDLESS OPPORTUNITY.

Our modern campus in idyllic Hyndburn green land sets the perfect stage for your educational journey. At ARC, we provide industry-standard equipment, preparing you to excel in the workplace from day one. We understand that the technical sector demands practical knowledge and expertise, which is why we invest in high-end subject-specific facilities, giving you a competitive edge in your career pursuits.

At ARC, we go beyond conventional education. Our strong ties with respected local businesses and employers create unparalleled opportunities for our students. They actively contribute to shaping our curriculum too, ensuring that what you learn aligns with real-world demands and is never just theoretical. With such involvement, you can rest assured that your education at ARC will translate seamlessly into valuable skills in the field.

Being a part of the Nelson and Colne College Group, we are proud to be the only Ofsted “Outstanding” Further Education College in the whole of Lancashire. This prestigious recognition speaks to our unwavering dedication to your growth, education, and ultimate success. Our commitment to excellence extends across every aspect of your journey with us, ensuring that you are nurtured, challenged, and encouraged to achieve your full potential.

At ARC, our close-knit community values diversity, fuels innovation, and champions individuality. No matter your background or ambitions, our mission is to empower and invigorate you as you stride boldly into your future, equipped with an exceptional technical curriculum and enriched by our robust connections with employers, you can be confident that your future is in safe hands with us.

WE LOOK FORWARD TO SEEING YOU!

/ WHAT DOES THIS MEAN FOR YOU?

Our 2023 results, combined with our long-standing history of students achieving consistently high pass rates year upon year confirms that our teaching teams are outstanding.

They understand what each student needs to support them to achieve their very best, and encourage them to reach for their goals.

WE ARE

OFSTED OUTSTANDING

We are the only Further Education College in the whole of Lancashire to hold the prestigious 'Outstanding' rating from Ofsted from our latest inspection in 2022.

/ WHAT DOES THAT MEAN FOR YOU?

The '**Outstanding**' rating is a guarantee of excellence, assuring you that as a learner you will receive the very best educational experience available.

OUR STUDENT

SUCCESS STORIES

Our exceptional student community consistently leaves us in awe! Year after year, we are truly impressed by the remarkable success stories that emanate from our student body.

Within this section, you will discover a small selection of the outstanding student achievements to come out of the College over the last academic year.

WHY CHOOSE ACCRINGTON AND ROSSENDALE COLLEGE?

“LEARNERS AND APPRENTICES EMBODY THE OUTSTANDING CULTURE OF HIGH STANDARDS ACROSS ALL OF THE COLLEGE SITES. THEY ARE PASSIONATE AND HIGHLY MOTIVATED ABOUT THEIR EDUCATION AND FUTURES.”

- MARCH 2022

WITHIN THE FOLLOWING SECTIONS, WE WILL EXPLORE THE UNIQUE ASPECTS OF ARC THAT SET OUR STUDENT EXPERIENCE APART FROM ANY OTHER.

Our robust support networks, outstanding teaching quality, industry specialist facilities, enticing College perks, and team of dedicated and passionate staff collectively contribute to an unparalleled educational environment.

And did you know... our College is officially OUTSTANDING!

Following Ofsted's most recent inspection in March of 2022, we are the only Outstanding Further Education College in the whole of Lancashire.

Now, what does this mean for you?

The Ofsted Outstanding stamp is like a badge of excellence. It's the gold standard that shows we're incredibly serious about giving you the absolute best in education. So, if you're a student here, rest assured knowing that you're in for an outstanding experience that others struggle to rival.

- LUCI, VOCATIONAL STUDENT

GET A HEAD START ON YOUR CAREER

AT ARC, WE ARE IMMENSELY PROUD OF THE INCREDIBLE RESULTS OUR LEARNERS ACHIEVE, BUT WE KNOW THE REAL GOAL IS MOVING INTO A HIGH VALUE PROFESSION OR TECHNICAL CAREER.

Supporting you to achieve your goals and reach your intended destination is our focus. Guiding you into successful positions in the working landscape and providing the next generation of industry ready professionals is our driving passion. **We achieve this through:**

/ **SECTOR EXPERT PERSONAL TUTOR SUPPORT**

Tutorials are more than randomly assigned form groups. You will be placed with a group of like-minded individuals based on your career aspirations, headed by an experienced industry, or subject, specific tutor.

/ **6-WEEK BESPOKE PLACEMENT READINESS PROGRAMME**

Before anyone goes out on placement, we put them through our Placement Readiness Programme. This ensures that our students can hit the ground running whenever they head out to the workplace, and has been praised by employers across all sectors for the difference it makes to a learners confidence levels.

/ **INSPIRING INDUSTRY CAREERS DAYS**

These days are dedicated to your chosen industry, or professional pathway to inspire you and provide vital knowledge and relationship building opportunities for your future success. We also invite in ex-students to talk about their experience carving out a career and much more!

/ **"MEET YOUR EMPLOYER" INITIATIVES**

From industry specific employer talks to mock interviews with real employers in your sector, we work closely alongside local industry experts to ensure that you are prepared for the real challenges of modern-day industry.

/ **PERSONALISED SKILLS PROFILING AND CAREER MAPPING**

At the start of your learning journey at ARC we work with you to map your Employability Skills Framework. This highlights key areas of strength and development, all tied to your chosen career path, which we will work with you to achieve throughout your time with us. It's extremely bespoke to YOU. What skills do you need to develop to be the best version of yourself and to unlock the door to your dream career?

/ **UNIVERSITY VISITS AND DISCOVERY DAYS FOR PATHWAY GUIDANCE AFTER COLLEGE**

If you are considering university as your next step, then we have got you covered. At NCC we explore the options that are best for you and will wholeheartedly support you in your journey there. If University Education is your route, then prepare to be inspired on trips to various universities across the country!

EMPLOYER LINKS

OUR NETWORK OF RESPECTED EMPLOYERS, INDUSTRY LEADERS, AND LOCAL BUSINESSES CONNECTS YOU TO OPPORTUNITIES, IMPROVES JOB PROSPECTS, AND FACILITATES PLACEMENTS.

Not only this, but employers within your field of choice are actually integral in the building and shaping of our technical curriculum, ensuring that what you learn aligns with real-world demands and is never just theoretical. With such involvement, you can rest assured that your education at ARC will translate seamlessly into valuable skills within your chosen field.

**OFSTED
SAYS...**

"LEADERS HAVE EXCELLENT LINKS WITH LOCAL EMPLOYERS, UNIVERSITIES AND REGIONAL BUSINESS GROUPS INCLUDING THE LOCAL ENTERPRISE PARTNERSHIP. THEY COLLABORATE WITH THEM TO CREATE A CHALLENGING CURRICULUM DESIGNED TO HELP LEARNERS AND APPRENTICES ACHIEVE AMBITIOUS CAREER GOALS."

- MARCH 2022

EXTRACURRICULAR

SUPERCURRICULAR

Our Supercurricular opportunities here at ARC, help you to succeed within your chosen career!

You need experience not just qualifications, and so we work hard to ensure you can access a range of activities, industry connections and trips in order to support you to becoming confident and independent young people who can go on to thrive in their chosen career.

Our Supercurricular offer includes:

- Vocational and Technical Industry Days
- Work Experience Opportunities
- Engaging Guest speakers
- University Discovery Days
- Masterclasses
- Exciting International Trips and Work Experience Opportunities Abroad
- Competitions to Enhance Your Skillset

This year, our Painting and Decorating Apprentices have had the opportunity to enter the Painting and Decorating Association Apprentice of the Year Competition, which has taken place all across the UK.

Holly, one of our extraordinary Painting and Decorating Apprentices, reached the Grand Final of this competition and won!

This opportunity has not only increased Holly's skillset, but it has also enabled her to make connections with other employers and companies within the industry, this in turn will massively benefit Holly within her career in Painting and Decorating.

WHICH QUALIFICATION

IS RIGHT FOR YOU?

LEVEL 3

DURATION
2 YEARS*

You will need to have achieved at least five GCSE passes at Grade 5 or above, including Maths and/or English to enrol, plus any specific entry requirements for individual courses.

LEVEL 2

DURATION
1 TO 2 YEARS

A Level 2 qualification is equivalent to GCSE Grades 4-9 and you will be expected to have achieved at least 4 GCSEs at Grade 4 or above, including Maths and/or English, to enrol on to one of these programmes. Successful completion of this course will pave the way for you to further your studies at Level 3.

LEVEL 1

DURATION
1 YEAR

You will need to have gained at least two grade 3s or above, including Maths and English, in your GCSEs to study a Level 1 programme. These will build on your existing skills and upon successful completion, allow you to progress to a Level 2 course.

*Most courses are for two years, however some Level 3 courses are delivered in one year.

OUR COURSES EXPLAINED...

WHY STUDY A VOCATIONAL COURSE AT ARC?

HERE AT ARC, OUR VOCATIONAL COURSES ARE DESIGNED WITH EMPLOYERS IN MIND, GIVING YOU THE MOST UP-TO-DATE RELEVANT SKILLS AND KNOWLEDGE NEEDED TO BE ABLE TO THRIVE IN YOUR CAREER.

Our guest speakers, dedicated industry days, and work placements provide students with incredible experiences which allow you to meet with leading organisations within your chosen sector. Not only will you learn the required knowledge for your industry you will also gain insights from professionals, to help realise your full potential.

As our vocational courses are interlinked to the workplace, you will be in a strong position to either go straight into employment, secure an Apprenticeship, or gain a place at University after you complete your course.

100%

LEVEL 3 TECHNICAL
EDUCATION PASS RATE

WHICH LEVEL VOCATIONAL COURSE

IS RIGHT FOR YOU?

LEVEL 3

DURATION
1-2 YEARS*

- Equivalent to 3 A Levels
- Designed to get you ready for your next steps after College, be it University, an Apprenticeship or employment
- The qualifications will be tailored around you and your career aspirations
- Need at least 5 GCSEs at Grade 5 or above including Maths or English

LEVEL 2

DURATION
1 YEAR

- Designed to get Level 2 students ready for a Level 3 course and a career in your chosen sector
- Opportunity to retake your Maths and English GCSEs if needed
- Need at least 4 GCSEs at Grade 4 or above including Maths or English

LEVEL 1

DURATION
1 YEAR

- You will gain an insight into your chosen Vocational subject and further develop your skills in English and Maths
- On successful completion of your Level 1 course, you may be able to progress on to further studies with a Level 2 course in your chosen subject or onto an Apprenticeship, where appropriate
- Need at least 2 GCSEs at Grade 3 or above, including Maths or English.
- Opportunity to retake your Maths and English GCSEs

ENTRY LEVEL

- No formal qualifications are needed for this programme.
- You will also be supported to build key personal skills such as communication, problem-solving, and team work to help you take those first steps towards your chosen career.

*Most courses are for two years, however some Level 3 courses are delivered in one year.

WHY STUDY AN APPRENTICESHIP AT ARC?

AN APPRENTICESHIP IS A FULL-TIME JOB, WHERE YOU WILL WORK FOR A BUSINESS WHILE GAINING A NATIONALLY RECOGNISED QUALIFICATION. IT IS ON-THE-JOB TRAINING, AND YOU EVEN GET PAID!

On an Apprenticeship you will develop the skills and experience that employers want, building up an impressive CV. Apprenticeships take between one to four years to complete, depending on the type and level. What's great is you can learn at a pace suited to you and you will be supported at each stage by an industry specialist Trainer Assessor.

Accrington and Rossendale College have been providing high quality Apprenticeships for many years.

We have an excellent reputation with businesses across East Lancashire and beyond, who look to us to find their next leading employee. This could be you if you decide that an Apprenticeship is the right next steps for you! We have a strong track record of Apprentices securing full-time employment after their Apprenticeship.

We have a specialist Apprenticeship Recruitment Team to help you find employment and support you through your application journey. We work with our wide range of top-quality employers, providing a talent matching service to ensure we support you in finding the right role.

Apprenticeship Team:

I'D DEFINITELY RECOMMEND DOING AN APPRENTICESHIP, ESPECIALLY HERE AS IT'S A WONDERFUL PLACE. ”

WHY STUDY A T LEVEL COURSE AT ARC?

T LEVELS ARE GROUND BREAKING TWO-YEAR LEVEL 3 QUALIFICATIONS THAT WILL OFFER STUDENTS A MIXTURE OF CLASSROOM-BASED LEARNING AND 'ON-THE-JOB' EXPERIENCE.

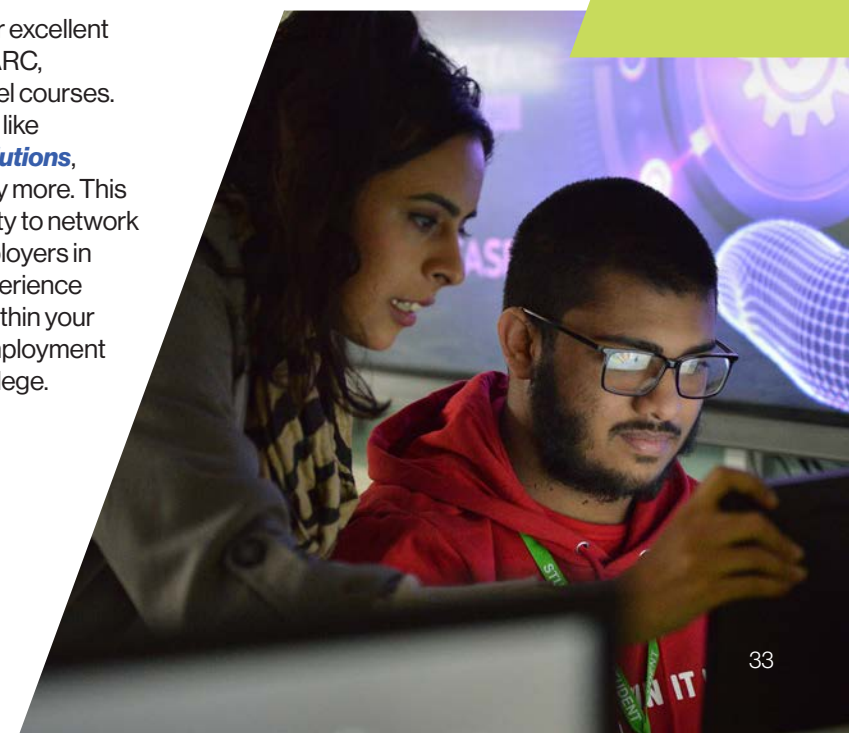

They are designed in collaboration with employers, are the equivalent to three A Levels, and include an exciting 45-day industry placement in your chosen sector.

T Levels are designed to give students the knowledge, skills and experience companies are looking for, helping you to step straight into your chosen career, higher level Apprenticeships or onto a degree.

You will strongly benefit from our excellent local employer connections at ARC, especially apparent in our T Level courses. We collaborate with businesses like **Sundown Solutions, Origin Solutions, Velocity Composites**, and many more. This provides you with the opportunity to network and form links with the best employers in the area, gain valuable work experience from seasoned professionals within your field and access competitive employment opportunities straight out of College.

ENTRY REQUIREMENTS

To study a T Level course, you must have 5 GCSEs at Grade 5 or above, including English and Maths.

T LEVEL

ACCOUNTING | *NEW FOR 2024*

LEVEL 3

2 YEARS

Studying T Level Accounting offers hands-on exposure to real-world scenarios, honing the ability to manage budgets, analyse data, and make informed financial decisions. The curriculum's alignment with industry standards ensures that students are well-prepared to navigate accounting practices in the modern workplace.

Whether aspiring to become a certified Accountant, Financial Analyst, or Business Consultant, this qualification lays the groundwork for success in diverse roles across sectors. The critical thinking and problem-solving skills developed during the program are transferable and highly sought-after, enhancing employability and adaptability.

The course incorporates a large industrial 45 day placement which will allow you to practically accumulate accounting competencies in a real workplace and gain invaluable work experience to get your career in Accounting underway. By studying T Level Accounting, you will gain a competitive edge and be positioned for a prosperous career and continuous growth.

BUSINESS MANAGEMENT AND ADMINISTRATION

LEVEL 3

2 YEARS

Develop and grow skills and knowledge within the field of business, whilst gaining vital industry experience that will set you up for an aspiring career in the field of management and administration. Alternatively, take what you have learnt and build your own business on the back of it. With a T Level in Business Management and Administration, you will feel well prepared to prosper in industry through the academic acumen developed from business theory gained in the classroom as well as the direct industrial experience you will receive on placement.

DIGITAL BUSINESS SERVICES

LEVEL 3

2 YEARS

Develop and grow skills and knowledge within the field of IT, whilst gaining vital industry experience that will set you up for an aspiring career within this industry. With a T Level in Digital Business Services, you will develop an understanding of data analysis to support business outcomes, digital environments, ethical and moral implications of digital technology, planning digital projects and much more, whilst also putting this knowledge into practice on your industry placement.

FINANCE | *NEW FOR 2024*

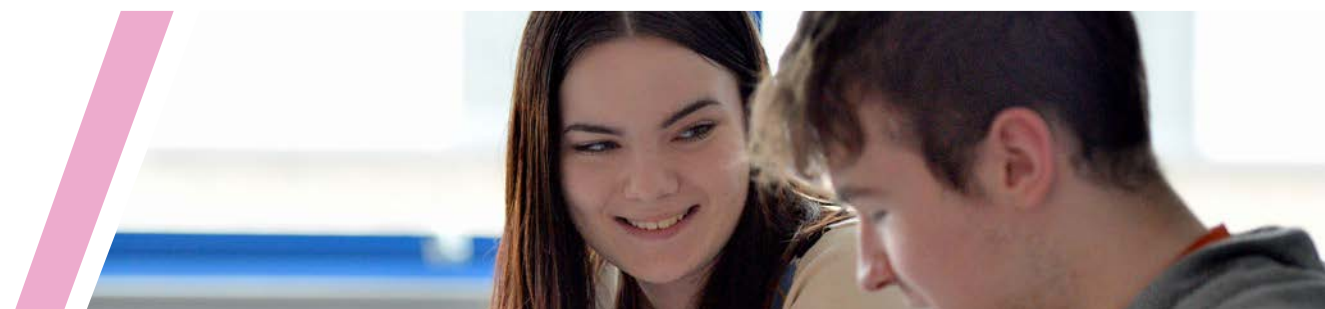

LEVEL 3

2 YEARS

Studying a T Level in Finance offers an enriching educational path that equips students with essential skills and insights crucial for a successful journey in the Finance industry. This programme blends theoretical knowledge with hands-on practical experience with a 45-day industrial placement that students will undertake at a local finance firm providing invaluable work experience for career growth.

The subject fosters a deep understanding of financial concepts, investment strategies, and provides a comprehensive grasp of financial principles whilst also developing critical skills in data analysis, problem-solving, and strategic decision-making. The curriculum's alignment with industry standards ensures that students are well-prepared to excel in the dynamic and evolving financial landscape.

T Level Finance serves as a gateway to diverse opportunities across sectors. Whether aspiring to be an Investment Analyst, Financial Planner, or Risk Manager, this qualification provides a strong foundation for a range of lucrative and impactful roles in a broad range of financial industries such as Banking and Insurance.

APPRENTICESHIPS

BUSINESS ADMINISTRATOR

LEVEL 3

21 MONTHS

This Business Administrator Apprenticeship will provide you with a highly transferable set of knowledge, skills and behaviours that can be applied in all sectors, and in small and large businesses alike; from the public sector, private sector and charitable sector. Throughout the programme you will work independently and as part of a team and will learn how to develop, implement, maintain and improve administrative services within your organisation.

This programme is ideal for those who can show initiative, manage priorities and their own time, can display problem-solving and decision-making skills and are keen to develop their people management responsibilities through mentoring or coaching others.

LIBRARIES INFORMATION AND ARCHIVE SERVICES ASSISTANT

LEVEL 3

21 MONTHS

Library, Information and Archive Services (LIAS) Assistants play a vital role across various sectors, including public, health, legal, commercial, educational, government, heritage/cultural, and entertainment. They serve as front-line professionals, engaging with users and addressing their diverse needs for information access in a responsible, ethical, and equitable manner. These professionals actively anticipate, assess, stimulate, and fulfil the requirements of both existing and potential users. By providing comprehensive support, LIAS Assistants contribute to the betterment of society and facilitate informed decision-making.

CUSTOMER SERVICE PRACTITIONER

LEVEL 2

16 MONTHS

The role of a Customer Service Practitioner is to deliver high quality products and services to the customers of their organisation. This programme will ensure you develop the skills and knowledge to provide a high-quality service to customers either in person or remotely. You may be the first point of contact and work in any sector or organisation type.

CHOOSE YOUR COURSE

VOCATIONAL

CARPENTRY AND JOINERY

LEVEL 2

1 YEAR

This course is designed for learners who have completed the Level 1 course and has been specifically designed to enhance your Carpentry and Joinery skills while also focusing on improving your employability. You will gain valuable knowledge and hands-on experience in setting out, marking out, and manufacturing joinery products using both fixed and portable machinery. Additionally, the course provides insight into the different roles within the Construction industry and familiarises you with various site processes.

By enrolling on this course, you will not only refine your Carpentry and Joinery abilities but also gain a deeper understanding of the Construction field as a whole. This comprehensive training will equip you with the necessary skills and knowledge to excel in the Carpentry and Joinery sector and open up promising career opportunities.

LEVEL 1

1 YEAR

This course offers a good introduction to both Site and Bench Craft Carpentry skills, as well as developing your overall knowledge and awareness of Carpentry and Joinery. Led by a highly experienced team, you will learn the basic skills of Carpentry which can then be applied in further learning or at work. On completion of the course you can progress onto Level 2 Carpentry and Joinery or an Apprenticeship.

PLASTERING

LEVEL 1

1 YEAR

This course provides an excellent introduction to the art of Plastering, which is an essential element within the Construction industry. You'll be given plenty of opportunity to get hands on and develop your basic skills in wet plastering and dry lining under the guidance of our expert team.

PAINTING AND DECORATING

LEVEL 2

1 YEAR

This course is designed for learners who have completed the Level 1 course and provides an excellent opportunity for learners to gain qualifications in the Painting and Decorating industry, with the potential for progression to an Apprenticeship. Throughout the course, you will acquire advanced techniques in a state-of-the-art training facility equipped with industry-leading tools and equipment. Our experienced instructors, who are experts in the trade, will guide you through the learning process. By undertaking this course, you'll not only develop your skills but also enhance your prospects in the dynamic field of Painting and Decorating.

LEVEL 1

1 YEAR

If you aspire to become a qualified Painter and Decorator, this course is an ideal starting point, offering you a good introduction to basic decorating techniques and health and safety within the Construction Sector. You will learn in a specialist training environment using industry-standard equipment and be taught by tutors with extensive experience in the trade. On completion of the course you can progress onto Level 2 Painting and Decorating or an Apprenticeship.

BRICKWORK

LEVEL 2

1 YEAR

This course is designed for learners who have completed the Level 1 course and want to enhance their Bricklaying skills and boost their employability. You will receive comprehensive training in solid and cavity walling, arch construction, and gain a deeper understanding of the construction industry and site safety. Our team of experts is dedicated to expanding your knowledge and awareness of brickwork, equipping you with a diverse set of skills and techniques necessary for excelling in the Construction sector. By completing this course, you'll be well-prepared to thrive in your career and make a significant contribution to the field of Construction.

LEVEL 1

1 YEAR

This Bricklaying course enables you to kick-start your career within the Construction industry, an industry which offers a lot of opportunity and growth. Our expert team will help develop your knowledge and awareness of Brickwork, as well as enabling you to build a range of skills and techniques essential for successful performance in the Construction sector. This course covers the essential, basic aspects of Bricklaying such as half brick walling, solid walling, cavity walling, mixing of materials and setting out a basic structure. On completion of the course you can progress onto Level 2 Brickwork or an Apprenticeship.

CONSTRUCTION AND CIVIL ENGINEERING

LEVEL 1

1 YEAR

This course gives you the opportunity to develop your knowledge and awareness of general Construction and Civil Engineering activities. Offering hands-on learning, led by experts in the field, the course will include basic groundwork tasks such as sub-bases, laying flags and blocks, mixing and laying concrete.

T LEVEL

DESIGN, SURVEYING AND PLANNING FOR CONSTRUCTION

LEVEL 3

2 YEARS

Enhance your learning while gaining invaluable work experience through our T Level in Design, Surveying, and Planning. This comprehensive course provides the opportunity to refine your surveying and design skills at our state-of-the-art Construction facility. With industry-leading equipment and expert guidance from our qualified tutors, you will develop a wide range of skills and knowledge to prepare for your future career. Gain practical experience through meaningful industry placements with our accredited employers. T Levels offer a dynamic and exciting pathway to jump-start your career, equipping students with the sought-after surveying and design skills that employers in the industry are seeking.

APPRENTICESHIPS

CRAFT CARPENTRY AND JOINERY

LEVEL 3

18 MONTHS

Carpentry and Joinery occupations are found in both the new build and refurbishment Construction sector, which is central to creating the homes, schools, hospitals, energy and transport infrastructure society needs. Advanced Site Carpenters work on building sites in the construction of domestic and commercial properties, preparing and installing complex and bespoke building components. They prepare, construct and erect irregular and complex roof structures.

Advanced Architectural Joiners are employed in a workshop producing complex building components by setting out, marking out and producing assembled components requiring advanced skilled work including the full range of woodworking machines. Apprentices at College, benefit from industry standard workshops/industry expert trainer assessors, renowned within the field.

CARPENTRY AND JOINERY

LEVEL 2

27 MONTHS

This occupation is found in both the new build and refurbishment Construction sector, which is central to creating the homes, schools, hospitals, energy and transport infrastructure society needs. There is growing demand for Carpenters and Joiners to help meet the need for new homes. Apprentices have the choice of specialising in Site Carpentry or Architectural Joinery, either working on a construction site or within a workshop respectively. Apprentices at the College benefit from industry standard workshops and industry expert trainer assessors, renowned within their field.

GROUNDWORKER

LEVEL 2

21 MONTHS

Groundworkers are the first trade onto a Construction and Civil Engineering site and work closely with supervisors and engineers in interpreting design specifications to prepare the site ready for the structural building works to take place. As a Groundworker Apprentice, you will continue your work throughout the construction phase, working with all on-site construction trades, such as Bricklayers and Plant Operatives, up to and including the final completion activities of the project. Groundworkers are able to transfer between Heavy Construction and Civil Engineering sites as well as housebuilding, commercial building and general building sites. Groundworkers work for all types of Construction companies from small subcontractors to large main contractors.

BRICKLAYER

LEVEL 2

27 MONTHS

The Construction sector is a driving force within the UK economy and is central to delivering the homes, schools, hospitals, energy and transport infrastructure our society demands. Bricklaying is a core function within the Construction sector, particularly the house building sector and our industry expert assessors have a long-standing connection to the industry providing Apprentices with the very best training and practical experience.

PAINTING AND DECORATING

LEVEL 2

27 MONTHS

This occupation requires precision and care at all levels and is essential to both trade and domestic Construction sectors. With a wide range of career paths, this Apprenticeship offers a fantastic opportunity to get started within this vital sector.

Working internally or externally you will work individually and/or as part of a team applying water-borne and/or solvent-borne paint coatings and wallcoverings. You will gain a strong knowledge of paint coatings and wallcoverings and be able to understand and comply with statutory, safety and environmental requirements. You will need to be a good problem solver and communicator and be able to interact effectively with colleagues, clients and associated trades.

VOCATIONAL

INFORMATION TECHNOLOGY

LEVEL 3

2 YEARS

Providing you with knowledge, skills and expertise that are essential to a career within the digital space, you can take the next steps to employment or university education with a qualification at Accrington and Rossendale College. Covering a wide variety of skill sets including project management, database design, cyber security, social media, web development, IT technician and programming – you will be well prepared for a career within the world of IT.

DIGITAL

LEVEL 2

1 YEAR

This industry-led course will support you in developing key subject specific practical skills including programming, project development and software such as Photoshop and Python. After completing this course, you will have the necessary skills to progress on to a Level 3 Information Technology course, including a T Level or an Apprenticeship.

ICT AND BUSINESS

LEVEL 1

1 YEAR

This course is an introduction to the Digital industry and you will study maths and English alongside, whilst developing the knowledge and skills required to support routes into employment or higher levels of study. The use of ICT is becoming part of our everyday lives, so having a qualification in Business and ICT puts you one step ahead when looking for employment.

T LEVEL

CYBER SECURITY | *NEW FOR 2024*

LEVEL 3

2 YEARS

The core element of this T Level will boost your knowledge in a range of topics such as programming, coding, the use of data and the different platforms of delivery in the Digital industry. It's a cutting-edge subject, so you'll also learn about Cyber Security and come to understand the potential security risks that organisations can face and how to analyse problems and identify solutions through computer programmes.

You'll then choose a specialism designed to support your interests, so you can get deeper into your chosen subject and build up the skills you need for your future job. You can choose from specialist modules in either Cyber Security, Digital Infrastructure, Network Cabling or Digital Support. Then you'll be able to put everything you learn into practice, with a substantial industry placement of around 45 days. You'll have an amazing opportunity to work with an employer while you study, such as an IT company or department, and gain invaluable experience as well as key skills that employers are looking for.

DIGITAL BUSINESS SERVICES

LEVEL 3

2 YEARS

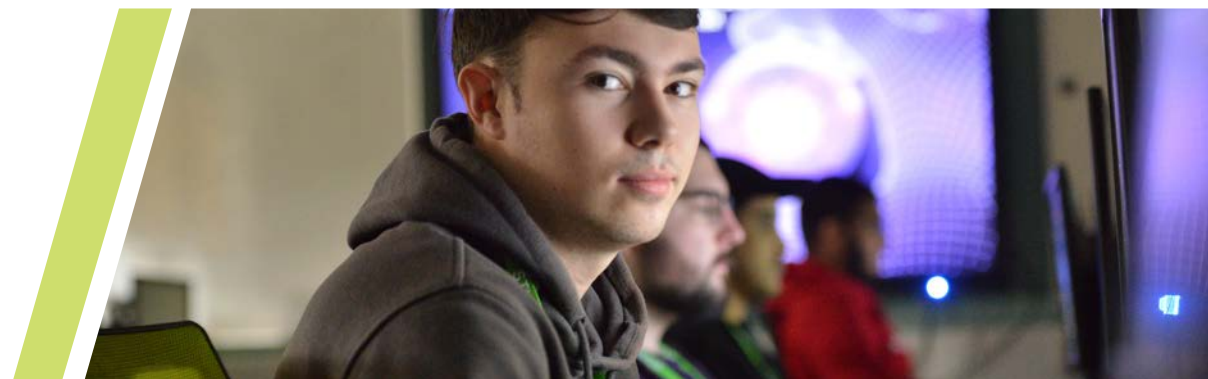

Develop and grow skills and knowledge within the field of IT, whilst gaining vital industry experience that will set you up for an aspiring career within this industry. With a T Level in Digital Business Services, you will develop an understanding of data analysis to support business outcomes, digital environments, ethical and moral implications of digital technology, planning digital projects and much more, whilst also putting this knowledge into practice on your industry placement.

DIGITAL PRODUCTION, DESIGN AND DEVELOPMENT

LEVEL 3

2 YEARS

Develop and grow skills and knowledge within the field of digital design, whilst gaining vital industry experience that will set you up for an aspiring career in the field of digital production. With a T Level in Digital Production, Design and Development you will develop an understanding of emerging technical trends, data in software design, privacy and confidentiality of personal data, how digital technologies impact business and much more, whilst also putting this knowledge into practice on your industry placement.

CHOOSE YOUR COURSE

VOCATIONAL

HEALTH AND SOCIAL CARE

LEVEL 2

1 YEAR

On this one-year course you will be introduced to the basics of working in the Health and Social Care industry, this includes safe working practices, infection control, the role of a Health and Social Care Practitioner and dealing with diversity. You will also develop key employability skills including commitment, resilience, initiative, confidence, and professionalism. This is an exciting programme, designed to give you the necessary skills to progress onto the Level 3 Health course or an Apprenticeship.

LEVEL 1

1 YEAR

During this one-year course, you will develop basic skills and knowledge of the Health and Social Care sector, alongside English and Maths. This programme is designed to give you a route onto higher level courses in this area.

T LEVEL

T LEVEL FOUNDATION PROGRAMME - HEALTH

LEVEL 2

1 YEAR

The Health T Level Foundation Programme is a one-year Level 2 course designed to prepare students for progression into the Level 3 Health T Level.

Tailored for those who may not meet the initial requirements but show potential, this foundation year provides essential skills and knowledge while introducing T Level content. Through tailored support in key areas, this course will supply you with all you need to progress on to a T Level.

HEALTH

LEVEL 3

2 YEARS

On this two-year course you will gain a Level 3 technical qualification in Health. This course will give you the opportunity to develop your theoretical knowledge in the classroom that employers within the health industry are looking for, alongside gaining work experience with credible employers – in which you will develop the necessary knowledge, skills and behaviours to work successfully in this industry and be work-ready at the end of the course.

There are a number of pathways you can take including Adult Nursing, Midwifery (NEW for 2024) or our Mental Health pathway, where you will work with Lancashire and South Cumbria NHS trust, with a guaranteed offer of employment and a pathway to study a Nursing degree Apprenticeship with the NHS after your T-Level is completed.

As a T Level Health student, you may have the opportunity to join the Health Cadets Programme with the East Lancashire Hospitals NHS Trust (ELHT). This competitive programme includes extensive work experience at all ELHT establishments, alongside practical career related training. The Cadets is a challenging yet rewarding programme, providing excellent routes into professional training for clinical careers, such as radiography, speech and language therapy, nursing, mental health, dietetics or occupational therapy, as well as university. During the programme you will undertake the Skills for Care Certificate which is a recognised qualification for employment in the sector.

APPRENTICESHIPS

ADULT CARE WORKER

LEVEL 2

18 MONTHS

By undertaking an Adult Care Worker Apprenticeship, you will become a member of the front-line staff who help adults with care and support needs to achieve their personal goals and live as independently and safely as possible, enabling them to have control and choice in their lives. The programme will support you to make a positive difference to someone's life when they are faced with physical, practical, social, emotional or intellectual challenges. As an Adult Care Worker Apprentice, you will need to have the right values and behaviours developing competences and skills to provide high quality compassionate care and support.

START PLANNING YOUR CAREER

APPLYING TO ACCRINGTON

AND ROSSENDALE COLLEGE

1. DO YOUR RESEARCH

Have a think about your favourite subjects, which do you enjoy the most? What is your dream career and what subjects or courses will help you get there? Talk to friends, family, teachers and your careers adviser.

2. VISIT US

Open Events are a great chance to visit the campus and find out more about our wide range of courses. You can chat to course tutors, explore our facilities and find out what we have to offer. We run Open Events throughout the year, and our dates are listed on the back cover. If you would prefer a 1:1 visit, please get in touch and we will arrange this for you. You can contact us on:

01282 440272
admissions@nelsongroup.ac.uk

3. SUBMIT YOUR APPLICATION

Once you have decided which course you would like to apply for you can submit your application.

4. ATTEND YOUR INTERVIEW

Our Admissions Team will be in touch with details of your interview. This is a friendly, informal chat with a course tutor which gives you the opportunity to find out more about the course you have chosen. Interviews take place once a month, between 4-6pm.

5. ACCEPT YOUR OFFER

After your interview you will receive a conditional offer for your chosen course. To accept this offer you can log into your online account or let our Admissions Team know and they will update your record.

6. ATTEND OUR NEW STUDENT DAY

Our New Student Day takes place on **Thursday 27th June**. This event gives you the opportunity to sample your chosen course, meet your tutors and fellow classmates. You will also be able to explore the campus and experience College life.

7. PREPARE FOR JOINING COLLEGE

Look out for your guide to starting College which will land in the post with you over the summer. This details everything you need to know about enrolment which is when you officially join College.

8. GCSE RESULTS AND ENROLMENT

Collect your GCSE results and bring them to your enrolment appointment. Here you will meet with tutors to confirm your course choices. Do not worry if you have not got the grades you were expecting, we will have a suitable alternative course for you.

CONGRATULATIONS!

ONCE YOU HAVE COLLECTED YOUR ID BADGE AT YOUR ENROLMENT APPOINTMENT YOU ARE OFFICIALLY A STUDENT AT AN OFSTED OUTSTANDING COLLEGE!

WE LOOK FORWARD TO SEEING YOU ON YOUR FIRST DAY IN SEPTEMBER.

READY TO TAKE YOUR PLACE?

HOW TO APPLY

Applications for courses starting in September 2024 open in September 2023. We accept applications throughout the year, however we encourage you to apply early so you can be part of our applicant journey.

GET AHEAD! SUBMIT YOUR APPLICATION BEFORE MARCH 2024 FOR A GUARANTEED PLACE ON ONE OF OUR COURSES.

OUR ONLINE PORTAL

Create an account with us via our online portal using the QR Code. By applying on the portal, you are able to:

- Monitor and track your application
- Update your personal details at anytime from anywhere
- View your application status
- View your interview appointments
- Add or change your course/subject choices

APPLICATION FORM

If you would rather complete a paper form, then please download and print an application form. Once you have completed it, you can post it to us using the FREEPOST address at the bottom of the form.

PARENT, CARER AND

GUARDIAN INFORMATION

WE KNOW YOU WILL HAVE QUESTIONS ABOUT YOUR YOUNG PERSON'S NEXT STEPS SO HERE'S EVERYTHING YOU NEED TO KNOW TO SUPPORT YOU AND YOUR YOUNG PERSON'S TRANSITION TO COLLEGE.

/ HOW CAN I HELP MY YOUNG PERSON CHOOSE THE CORRECT COURSE?

Talk to them about their favourite subjects and what they enjoy about them is a good place to start. You could discuss careers and what job they would love to do in the future. Once these have been identified we can support in advising the pathways most suitable to match their interests.

/ WHEN DOES MY YOUNG PERSON NEED TO APPLY TO COLLEGE?

Applications can be made throughout the year; however, we do recommend applying before March to make the most of our exciting applicant journey and to ensure we can keep in touch with them throughout their last year at school.

/ DOES MY YOUNG PERSON NEED TO ATTEND AN INTERVIEW?

Interviews are an important part of the application process as this is their chance to speak to the tutors of their selected course to ensure it's the right choice for them. Interviews usually last around 15-minutes and are very informal.

/ MY YOUNG PERSON WOULD LIKE TO GO TO UNIVERSITY AFTER COLLEGE. DO COLLEGE SUPPORT WITH UNIVERSITY APPLICATIONS?

Yes, when they are ready to start looking at Universities our expert Careers Team are here to help with personalised careers advice, University applications, University finance advice, interview techniques and much more.

/ WHAT IF MY YOUNG PERSON CHANGES THEIR MIND ON THEIR COURSE CHOICE?

That's absolutely fine! Application choices can be changed at any time, they will be invited to another interview for their new course choice.

/ IS THERE FINANCIAL SUPPORT FOR MY YOUNG PERSON?

We have an extensive financial support package for our full-time 16–18-year-old students which are tailored to individual needs. We also have a College Bursary Fund which some students may be eligible for, more information can be found on page 22.

/ WHAT SUPPORT IS AVAILABLE TO MY YOUNG PERSON?

There are a wide range of specialist services here at College to support them every step of the way. You can find out more on page 24.
